

All are invited to
Sensory Friendly Storytime
at the Warwick Public Library

I'm going to storytime at the library!

We listen to stories and sing songs together.

Sometimes we sing and dance with scarves, shakers, and puppets.

**After stories and songs we have activity time.
I can choose the activities I want to do.**

When we're done with activities we help clean up.

Then it's time to say goodbye. See you next time!
